PROFESSIONAL EXPERIENCE

Software Intern

Trinity Tech Solution (Startup)

July 2025 – Present

- Developed solutions within the Odoo ERP platform and built the corporate website using TypeScript, Python, and a JavaScript framework.
- Acted as a Business Analyst, gathering business requirements and raising clarifications to define project scope.
- Responsible for testing, debugging, and final deployment of components, ensuring high-quality delivery.

Networking Intern

AAI (Chennai)

- Gained exposure to server room management and large-scale IT infrastructure.
- Learned to identify and mitigate points of failure in network operations.

Intern

Open Weaver

- Contributed to web component development and completed a project using JavaScript and Three.js.

ACADEMIC PROJECTS

Finsync Management System (Full-Stack)

html, css, mysql, apache

- Created low-level design for database schemas to handle complex data requirements.
- Performed testing and debugging on transaction logic for accuracy and reliability.

Food Ordering Application (MERN Stack)

react, mongodb, node.js, cloudinary

- Full-Stack application where front-end design was managed with React and back-end data requirements with MongoDB. •

Successfully deployed assets using Cloudinary for optimized performance.

PROFILE SUMMARY

Software Developer with 6 months of corporate experience at the startup **Trinity Tech Solution**. Highly skilled in **Full-Stack Development** using **Odoo ERP, TypeScript, and Python**. Proven ability to manage the complete **SDLC**, from gathering **business requirements** and providing **clarifications** to final **testing** and **deployment**.

SKILLS

TypeScript Python Java JavaScript HTML/CSS Odoo ERP React.js

Node.js MongoDB MySQL

Business Analysis Requirement Gathering Agile/SDLC Git/GitHub

Three.js

EDUCATION

B.Tech in Information Technology **LICET - Loyola-ICAM College of Engineering and Technology**

2021 – 2025

Higher Secondary Education (HSC) **Zion Matriculation Higher Secondary School**

2019 – 2020 Per : 88%

STRENGTHS

- Strong **Communication Skills** for raising clarifications and team collaboration.
- Excellent ability to **adapt to new technologies** (e.g., Odoo, TypeScript).
- Dedicated and hardworking with a **Problem-Solving** mindset.
